HOLLADAY PROPERTIES AND HOLLADAY CONSTRUCTION GROUP ANNOUNCE LEED AP DESIGNATION

Employees from Holladay Properties and Holladay Construction Group have achieved LEED AP (Leadership in Energy and Environmental Design, Accredited Professional) designation from the United States Green Building Council.

Congratulations to:

Michael Long, LEED AP (Holladay Properties)

Tim Helton, LEED AP (Holladay Construction Group)

Jeff Kurzhal, LEED AP (Holladay Construction Group)

LEED Accredited Professionals (LEED APs) are building industry professionals who have demonstrated a thorough understanding of green building and the LEED® Green Building Rating System™. The LEED AP credential indicates that the professional has the knowledge and skills to facilitate the LEED certification process.

LEED Professional Accreditation is a voluntary designation achieved by over 60,000 individuals who have passed the LEED Professional Accreditation exam. The Green Building Certification Institute recommends that LEED AP candidates have building industry knowledge, as well as experience working with green building professionals from multiple disciplines.
